

EcoTank ET-M1170

DATASHEET / BROCHURE

Perfect for anyone looking for low-cost-printing, this A4 inkjet printer has a refillable ink tank, with one bottle having the equivalent of up to 5 laser toners*. Additional benefits include mobile printing, Wi-Fi, A4 double-sided printing and a 250-sheet front paper tray. The ideal printing solution for home, office or small business.

Enjoy the benefits of mobile printing and big savings with this durable EcoTank with refillable ink tank. A cost-efficient solution, print up to 11,000 pages with the included black ink*. It's fast and energy efficient as there's no warm up time. Use your time and resources more effectively with Wi-Fi, double-sided printing, 250-sheet tray and PrecisionCore printhead.

Reduce your printing costs

The economical EcoTank is fundamentally different to laser printers. It features a large refillable ink tank that you fill with the included ink bottles instead of toner. From the start you have enough ink to print thousands of pages, slashing costs and saving time as you're not frequently changing toner.

Low cost replacements

While refills are likely to be few and far between, you'll be able to save over 90% on the cost per page with replacement ink bottles*.

Reliable

Giving peace of mind, every EcoTank mono printer comes with a one-year/100,000-page warranty.

Save time

Don't waste time changing supplies - with an ink tank system you can essentially fill it up and forget about it. Printing is fast with no warm-up time and speeds of 20ppm*.

Save energy

Cut energy usage and reduce overheads with an EcoTank mono printer. It can save up to 95%* in power consumption compared to mono laser printers.

Efficient business features

Experience the PrecisionCore printhead that's renowned for its speed, quality, reliability and efficiency. Replace paper less often with the 250-sheet tray and save paper with automatic double-sided printing.

Connectivity solutions

Scan-to-Cloud and print from anywhere in the office with Wi-Fi connectivity and Epson's free mobile printing apps*. This model has Ethernet for a fast and high-quality connection.

INK YIELD DATA

111

6.000 pages*

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 19752. 11,000 pages yield based on two ink bottles included with this printer. 6,000 pages yield based on EcoTank ET-MX1XX Series Black Bottle XL ink bottle sold separately. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.
