Key Selling Points

- A rigid core, rubberized edges, and corner bumpers all combine to provide 2 metres of drop protection.
- Keyboard and case detach to accommodate different uses and working environments.
- The lightweight design travels easily.
- Pair the Pro Keys keyboard with two devices at once and toggle between them.
- The magnetic stand attaches to the back of the case and holds your device at two convenient viewing angles.
- A magnetic flap holds the cover closed and protects the Apple Pencil or ZAGG Pro Stylus.

Compatible with the 10.2-in. Apple iPad (7th & 8th gen).
