

EB-775F

DATASHEET / BROCHURE

The ideal scalable and affordable display solution for informative signage needs.

The EB-775F is a cost effective way to create large, informative and immersive displays on multiple surfaces and in tight spaces at full HD and up to 4,100 lumens.

It is designed to display visitor and customer information (e.g. in hospitality, retail and offices), exhibition information - even projecting directly onto exhibits - and boardroom presentations or school lessons.

Create engaging displays

Epson's advanced laser technology makes this a flexible and easy to use digital signage solution. Create engaging displays up to 150" (larger when using 2 devices) at up to 4,100 lumens for easy visibility in bright environments.

Bring any surface to life, discretely

The EB-775F can be installed on wall or ceiling and can project onto almost any surface (even unconventional surfaces such as floor or pillars). It's UST design also makes it ideal for projecting large images in tight spaces. Choose between a black (EB-775F) or white (EB-770F) model to discretely blend it into your environment - it can even be hidden to create floating and borderless displays to surprise and delight audiences.

Robust, reliable and cost effective

Our laser technology is also robust and low maintenance. Offering up to 20,000 hours maintenance-free use and a 5 year warranty, this is a fit-and-forget display solution you can rely on at a cost-effective price.

Flexible playback options

Epson offers free apps for content creation (Epson Creative Projection & Epson Projector Content Management). Content can be played directly from USB (including playlists, videos, and signage content) via the built-in playback feature, or users can upload and playback content wirelessly with built-in Wi-Fi and Miracast.

KEY FEATURES

- **Versatile signage projector**
Compact, unobtrusive, ultra-short-throw design for tight spaces
- **Create engaging displays**
Up to 150" Full HD displays, 4,100 lumens and 3LCD technology
- **Fit and forget reliability**
Low maintenance laser projector with a 5 year warranty
- **Flexible playback**
Play content directly from a USB stick
- **Easy installation**
360 degree rotation with portrait projection support

PRODUCT SPECIFICATIONS

TECHNOLOGY	
Projection System	3LCD Technology, RGB liquid crystal shutter
LCD Panel	0,61 inch with C2 Fine
IMAGE	
Color Light Output	4.100 Lumen- 2.800 Lumen (economy) In accordance with IDMS15.4
White Light Output	4.100 Lumen - 2.800 Lumen (economy) In accordance with ISO 21118:2020
Resolution	1080p
Contrast Ratio	Over 5.000.000 : 1
Keystone Correction	Manual vertical: $\pm 3^\circ$, Manual horizontal $\pm 3^\circ$
Colour Reproduction	Upto 1.07 billion colours
OPTICAL	
Throw Ratio	0,25 - 0,35:1
Zoom	Digital, Factor:1 - 1,35
Screen Size	60 inches - 150 inches
Projection Distance Wide	0,4 m (65 inch screen),
Projection Distance Tele	0,7 m (120 inch screen),
Projection Lens F Number	1,6
Projection Lens Focal Length	3,7 mm
Projection Lens Focus	Manual
Offset	5 : 1
CONNECTIVITY	
Interfaces	USB 2.0-A (2x), USB 2.0, RS-232C, Ethernet interface (100 Base-TX / 10 Base-T), Wireless LAN IEEE 802.11a/b/g/n/ac, VGA in (2x), VGA out, HDMI in (3x), Composite in, Miracast, Jack plug out, Jack plug in (3x), Wi-Fi Direct
Epson iProjection App	Ad-Hoc / Infrastructure
ADVANCED FEATURES	
Security	Kensington lock, Control panel lock, Padlock, Security cable hole, Wireless LAN unit lock, Wireless LAN security, Password protection
Other features	21:9 aspect ratio support, A/V mute, Arc Correction, Auto Power On, Auto source search, Built-in speaker, CEC compatible, Customizable user logo, Digital zoom, Direct Power on/off, Document Camera Compatible, Edge Blending, Email notification, Home Screen, Horizontal and vertical keystone correction, Image Shift, JPEG Viewer, Long light source life, Network projection, OSD copy function, PC Free, Power on button, Quick Corner, Schedule Function, Screen Mirroring, Ultra-wide display (16:6), Web Control, Web Remote, Wireless LAN capable, iProjection App
Video Color Modes	Blackboard, Cinema, Dynamic, Presentation, sRGB, DICOM SIM, Multi Projection
GENERAL	
Power consumption	200 Watt (Normal On-Mode), 141 Watt (Eco On-Mode), 263 Watt (Normal Peak-mode), 199 Watt (Eco Peak-Mode), 0,5 Watt (Energy saving standby)
OTHER	
Warranty	60 months Carry in or 12.000 h Optional warranty extension available

LOGISTICS INFORMATION

SKU	V11HA83180
EAN code	8715946715711
Country of Origin	Philippines
Layer	2 Units

EB-775F

WHAT'S IN THE BOX

- Power cable
- Remote control incl. batteries
- User guide
- Warranty Documents
- Quick Start Guide

OPTIONAL ACCESSORIES

- Wireless LAN Adapter - ELPAP11 (2.4GHz & 5GHz) V12H005A01
- Ultra-short-throw Wall Mount - ELPMB62 V12HA06A06
- Ceiling Pipe (450mm) - ELPFP13 V12H003P13
- Ceiling Pipe (700mm) - ELPFP14 V12H003P14
- Active Speakers (2 x 15W) - ELPSP02 V12H467040
- Safety Wire - ELPWR01 V12H003W01
- Air Filter - ELPAF60 - EB-7XX / EB-L2xx Series V13H134A60
- Control and Connection Box - ELPCB03N V12HB11040

Wireless Presentation Systems

- Epson ELPWP20 - Wireless Presentation System V12HA42040
