

The 24-inch SureColor printer for professional photographers, fine-art users and photo retail.

The fast and reliable SureColor P7300 features Epson's acclaimed 2.64-inch PrecisionCore μ TFP printhead, ensuring exceptional image quality. It includes the advanced 10-colour UltraChrome PRO10 inkset, with violet ink (350ml and 700ml cartridges) to enhance the colour gamut. Richer blacks and improved contrast are achieved through Black Enhance Overcoat (BEO) technology.

Designed for productivity

The SC-P7300 boasts a range of premium features, employing the UltraChrome PRO10 inkset with Violet to further expand the colour range. The inclusion of dedicated PK/MK nozzles and an impressive resolution of 2,400 $\times$ 1,200 dpi enhances productivity while minimising downtime, ensuring efficient operation.

Exceptional image quality

Epson's acclaimed 2.64-inch PrecisionCore μ TFP printhead provides consistently high-quality output. In addition to the 10-colour inkset, this SureColor professional printer uses Black Enhance Overcoat (BEO) technology to achieve richer blacks, improved contrast and enhanced black density.

Easy-to-use

This highly-intuitive professional photo printer features a 4.3-inch touchscreen and an LED internal printing light for status checks. The SC-P7300 also accommodates spindle-less roll media.

Comprehensive connectivity

Pro photo printing demands great connectivity options. As a user of the SC-P7300, you'll benefit from high-speed USB and Gigabit Ethernet options to suit any production workflow. Also, Epson Cloud Solution PORT puts you in control of your production: access production status, utilisation rates, print costs, and output volumes, with ease.

Competitively priced

The SC-P7300 is a feature-rich professional photo printer that provides high-quality output at an entry-level price point.

KEY FEATURES

- **Cost effective**
Premium professional features at a competitive price point
- **High-quality output**
Wide colour gamut with UltraChrome Pro10 inkset (inc. violet). Black Enhance Overcoat technology (BEO) for richer blacks and improved contrast.
- **Easy-to-use**
Highly-intuitive operation with a 4.3-inch touchscreen. Simple printing status checks with internal LED printing light.
- **Designed to keep businesses moving**
Fast, consistent and reliable. The SC-P7300 ensures crisp, detailed prints at high speeds with the PrecisionCore μ TFP printhead.
- **Versatile media handling**
Accommodates various media types, including glossy, bond, matte, and rigid poster boards up to 1.5mm thick
