

Horizontal Baby Changing Station

Its HDPE (high-density polypropylene) body has better chemical resistance than LDPE (low-density polyethylene) and does not absorb moisture.

- Curved changing surface and safety straps keep child secure. Built-in hooks free caregiver hands.
- Suitable for installation in commercial environments. Meets ASTM, ADA, FDA and EN safety standards.
- Built-in accessory shelf keeps baby-changing items safely out of a child's reach, and a smooth surface with large corners for easier cleaning.
