# Competitive advantages

## DECROSS all models

- ✓ Support battery charge
- ✓ Could be charged from USB
- ✓ PL/DPL codes supported
- ✓ Equipped with Flashlight
- ✓ High capacity rechargeable batteries 800-1200 mAh
- ✓ DC93 uses inverse LCD display for easy reading and to lower power consumption
- ✓ 2 channels dual watch

## Typical A brand models

- ✗ Battery charge only in expensive models
- ✗ PL/DPL codes not supported in low-tier models
- ✗ Flashlight only in high-tier models
- ✗ Dual watch only in high-tier models
- ✗ Rechargeable batteries usually 500-800 mAh
