

# ViewSonic LS901-4K - DLP-Projektor - Laser/Phosphor

5500 ANSI-Lumen - 3840 x 2160 - 16:9 - 4K - Zoomobjektiv

|                       |               |
|-----------------------|---------------|
| Group                 | Projectors    |
| Manufacturer          | ViewSonic     |
| Manufacturer item no. | LS901-4K      |
| EAN/UPC               | 0766907027624 |

## Main features

|                                              | General            |
|----------------------------------------------|--------------------|
| Projector brightness                         | 5500 ANSI lumens   |
| Projector native resolution                  | UHD 4K (3840x2160) |
| Contrast ratio (typical)                     | 3000000:1          |
| Service life of light source                 | 20000 h            |
| Service life of light source (economic mode) | 30000 h            |
| Focal length range                           | 17.63 - 27.9 mm    |
| Aperture range (F-F)                         | 2.3 - 3            |
| Vertical lens shift range                    | -21 - 0 %          |
| Serial interface type                        | RS-232             |
| Noise level                                  | 31 dB              |
| Noise level (economic mode)                  | 25 dB              |
