

# Allied Telesis AT XS916MXS - Switch - L2+

verwaltet - 4 x 100/1000/10000 + 12 x 10 Gigabit SFP+ - Desktop - an Rack montierbar - wandmontierbar

|                       |                   |
|-----------------------|-------------------|
| Group                 | Network Equipment |
| Manufacturer          | Allied Telesis    |
| Manufacturer item no. | AT-XS916MXS-50    |
| EAN/UPC               | 0767035208121     |

## Main features

|                                               | General                                                                                                 |
|-----------------------------------------------|---------------------------------------------------------------------------------------------------------|
| Switch type                                   | Managed                                                                                                 |
| Switch layer                                  | L3                                                                                                      |
| Basic switching RJ-45 Ethernet ports type     | 10G Ethernet (100/1000/10000)                                                                           |
| Basic switching RJ-45 Ethernet ports quantity | 4                                                                                                       |
| Full duplex                                   | Y                                                                                                       |
| MAC address table                             | 16000 entries                                                                                           |
| Switching capacity                            | 320 Gbit/s                                                                                              |
| Networking standards                          | IEEE 802.1x, IEEE 802.2, IEEE 802.3, IEEE 802.3ab, IEEE 802.3ae, IEEE 802.3an, IEEE 802.3x, IEEE 802.3z |
