Article Number: 21187

Safety Instructions:

- The sign panel must be mounted stably and securely on the belt posts to prevent it from falling over or falling down.
- If not installed correctly, the sign panel may fall down and cause injury.
- Ensure that the sign panel does not have any sharp edges or protruding parts that could cause injury.
- The use of the sign panel should be checked regularly for damage in order to minimise safety risks.
- The sign panel is not suitable for direct contact with fire or naked flames.
