Article Numbers: 14597, 14595, 13409

Safety Instructions:

- Ensure product safety to prevent injuries.
- Secure furniture against tipping over, especially in households with children. Make sure that the side cabinet is stable.
- Enclose the instructions for installation and use. Observe the safety instructions for installation and use. Please keep instructions available for future reference.
- Protect from direct sunlight and moisture.
- Regularly check for damage and signs of wear. Pay attention to damage to the cabinet to avoid injury.
- Make sure that small children do not play with small parts to avoid the risk of choking.
- If used incorrectly, the lockable lock can cause damage or compromise safety.
- Sharp edges can cause injuries, be careful when handling.
- Take care when opening the roller shutter, as it could be energised.
- Installation should be carried out by a person who is familiar with the safety requirements.
