Safety Instructions:

- The shelf dividers must be correctly positioned and firmly mounted on the shelf to prevent them from tipping over or slipping.
- Compartment dividers must not be used as seats in order to avoid injuries.
- Keep the dividers away from heat sources to prevent deformation.
- Only use the shelf dividers in stable and suitable shelves.
- Not suitable for children under 3 years of age due to the risk of choking on small parts.
- Ensure that instructions for safe use and installation are included.
- Regular checks of the stability and safety of the product are recommended.
- Include instructions for use and safety instructions in an understandable language.
- Suitable for adults and children over 3 years. Watch out for small parts that could pose a choking hazard.
- Avoid use near fire or water.
- Check for damage before use and do not use the parts if they are damaged.
