Safety Instructions:

- Felt-tip pens and markers can cause allergies and skin irritation; make sure they are non-toxic.
- Not suitable for children under 3 years of age due to choking hazard from small parts.
- Magnetic signs used should not be placed near electrical devices, credit cards or other electronic/magnetic objects in order to avoid damage and interference.
- Use products safely on ferrous surfaces to ensure secure adhesion and prevent slipping.
- Do not use near heat sources, open flames or in humid environments to prevent damage and loss of adhesion.
- Protect the product from direct sunlight to avoid colour changes and loss of adhesion.
- Ensure that children do not play with the product unsupervised to minimise the risk of swallowing or choking.
- Keep all small parts out of the reach of children, as they may pose a choking hazard if swallowed.
- Avoid contact with water, as this can impair adhesion.
- Keep packaging and product information safe to gain access to important safety information.
- Use suitable pens or stickers for labelling and avoid aggressive chemicals to prevent damage.
- Make sure that the mounting surface is clean and dry to ensure optimum adhesion of the magnetic signs.
- When changing the attachment, remove the magnetic labels carefully to prevent damage to the surface.
