Safety Instructions:

- Not suitable for children under 3 years of age as small parts may pose a choking hazard.
- Use only under adult supervision.
- Product should be protected from water and moisture to prevent damage.
- Avoid use at temperatures above 40°C or near heat sources to prevent material damage.
- Not suitable for contact with food and do not use in the vicinity of electronic devices.
- In the event of improper attachment to non-magnetic surfaces, special brackets may be required to ensure stability.
- Ensure that the product is properly and stably attached to suitable surfaces or with the brackets provided to prevent it from falling.
- Do not use for any other purpose not intended to prevent injury.
- Before use, ensure that there are no sharp edges.
- Do not use on nasty or flammable surfaces.
