Safety Instructions:

- Take care when opening the shipping bags: sharp edges can cause injuries, especially through safety wave cuts. When tearing open the packaging, ensure that sharp edges are avoided.
- Keep small parts away from small children as they may pose a choking hazard. Not suitable for children under 3 years of age.
- Store the product safely and check for damage before use to avoid injury. Keep the packaging out of the reach of children to avoid danger.
- Environmentally friendly disposal is important: recycle the bags in accordance with local regulations for recyclable materials.
- Avoid extreme conditions: Do not store at high temperatures or in direct sunlight as this could affect stability. Avoid direct contact with food.
- Take care when using the pressure-sensitive adhesive closure, especially if the packaging is damaged. Direct skin contact should be avoided.
- Ensure that the packaging size and shape is suitable for the intended purpose and follow the instructions for safe handling.
- Dispose of them in an environmentally friendly way, especially as the bags are specially designed for recycling.
