Article Numbers: 95614, 95613

Safety Instructions:

- Use only on stable and level surfaces in accordance with the operating instructions.
- Ensure that the ladder is fully engaged before using it.
- Do not exceed the maximum load.
- Do not use beyond the maximum slope or height limits.
- Always have at least one person for support when using the ladder on stairs.
- Pay attention to possible dangers from electrical cables.
- Use of protective clothing and safety shoes recommended.
- Check the ladder regularly for damage and do not use it if this is found.
- Additional caution is required when using on stairs or uneven surfaces.
- Avoid use as a work platform without suitable safety precautions.
- Follow the manufacturer's installation and operating instructions.
