Article Numbers: 95534, 95533, 95532, 95531, 95530, 95529, 95528

Safety Instructions:

- Do not exceed the maximum load of 150 kg.
- Avoid risk of suffocation due to improper folding of the ladder.
- Avoid the risk of falling due to improper use or overloading the ladder.
- Avoid hand injuries due to careless handling of ladder feet.
- Ensure a stable standing surface during use.
- Do not use the ladder in poor weather conditions or on slippery surfaces.
- Use a stable, level surface for installation. Check all latches and locks before use.
- Stop use immediately if there is a risk of accident or damage.
- Do not use the conductor in the vicinity of electrical cables.
- Keep children away from the appliance, use only under supervision.
- Avoid the risk of finger pinching, insert spacers correctly.
- Check regularly for damage before use.
- Always ensure a firm and level surface before use.
- Use only in accordance with the manufacturer's instructions.
- Do not overload the ladder or allow several people to use it at the same time.
- Read the safety instructions and user manual regularly.
