Please note the technical data of the products!

Article Numbers: 94168, 94167, 94166, 94143

Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed and there is a choking hazard.
- Avoid contact with sharp objects to prevent damage.
- Use the product within the temperature limits of -20°C to +100°C; protect from extreme temperatures as the material may melt at high temperatures.
- Clean before use and check for damage to avoid chemical residues.
- Do not exceed the maximum load of 20 kg to prevent overloading.
- Avoid direct contact with aggressive chemicals or strong acids, as the material is not resistant to all chemicals.
- Ensure that the open-fronted storage box is properly stacked to prevent it from tipping over.
- Protect the product from direct sunlight to prevent material fatigue.
