Article Numbers: 19851, 19850, 19849

Safety Instructions:

- Ensure that the wall coat rack has no sharp edges; take particular care with aluminium parts.
- Avoid placing it in places where it could be knocked over; only attach it to stable walls to prevent it from falling.
- Use suitable fixing materials and wall materials to ensure stability and safety.
- Identify sharp edges and cover them if necessary to minimise the risk of injury.
- Avoid overloading: Do not exceed the maximum load capacity.
- Ensure a safe distance from other objects to avoid injury from impact.
- Enclose assembly instructions and instructions for regular stability checks.
- Provide instructions for cleaning without harmful chemicals.
