E-Mail: info@cordes.eu

Please note the technical data of the products!

Article Number: 91112

Safety Instructions:

- If handled incorrectly, there is a risk of injury due to the heavy weight of the roll box (192 kg).
- The Rollbox should not be used near sources of danger in order to avoid possible accidents.
- Ensure that the brakes on the castors are activated during use to prevent unintentional rolling.
- Read and follow all safety and installation instructions carefully before use.
- Accessibility and safety information should be provided in a language understandable to the consumer.
