Article Numbers: 99464, 99463

Safety Instructions:

- Do not use near naked flames or heat sources.
- Protect from direct sunlight to avoid material degradation.
- Store in a dry place to prevent mould growth.
- Do not overload in order not to jeopardise the stability of the cover.
- Check the cover regularly for cracks or wear.
- Keep away from sharp objects to avoid damage.
- Do not use the product in extreme weather conditions that could jeopardise the integrity of the material.
