Article Numbers: 60036, 60035, 60034

Safety Instructions:

- The product is not suitable for children under 3 years of age as it contains small parts that could be swallowed and pose a choking hazard.
- Improper handling could result in sharp edges that could cause injuries. There is also a risk of the plastic parts breaking, which can also lead to injuries.
- The product must be kept away from water and other liquids to prevent damage or safety risks.
- Make sure that all parts are correctly assembled and ensure that all connections are correct and tight before use to ensure stability and safety of use.
- Only use the product in a stable and horizontal position to prevent it from tipping over. In addition, the product should be placed in a stable position during final assembly to prevent it from falling over or slipping.
- Do not apply excessive weight to the storage baskets to avoid damage.
- Keep out of reach of children as small parts could be swallowed.
