Safety Instructions:

- Do not exceed the maximum load capacity of 150 kg.
- Ensure that the platform trolley is placed on a level surface to prevent it from tipping over.
- The safety bumper strap should be checked for damage before use.
- When using larger objects, ensure that they are correctly secured with the bracing plate.
- During assembly, ensure that the parts are fitted correctly to guarantee safety during use.
- Prevent children from accessing the product to avoid injury.
