Safety Instructions:

- Caution: Observe user protection when lifting heavy loads to avoid injuries.
- Before use, check that the crate trolley is properly assembled and in good condition.
- Wear the necessary protective equipment, especially when transporting over long distances or uneven terrain.
- Do not exceed the specified load capacity (250 kg) to avoid safety and stability risks.
- Do not use the crate trolley on uneven or steep surfaces to minimise the risk of tipping over or falling.
- Check pneumatic tyres regularly for pressure and condition to ensure safe handling.
