Article Numbers: 97161, 97159

Safety Instructions:

- Risk of suffocation and injury due to improper use or handling of heavy loads. Only transport safely with sufficient support from at least two people.
- Risk of slipping and falling if the appliance trolley is used incorrectly. Only use the equipment trolley on stable, level surfaces to avoid the risk of tipping over.
- Risk of hand injury due to improper use of the safety handles. Ensure that the padded tubes and safety handles are in good condition before using them.
- Before use, ensure that the load capacity of 250 kg is not exceeded.
- Secure the load during transport to prevent it from slipping.
