Safety Instructions:

- Store safely and protect from extreme temperatures. Storage in dry, cool and light-protected rooms is recommended. Suitable for cooler storage temperatures.
- Only use on smooth surfaces. Ensure that the surface is clean and dry to ensure adhesion.
- Skin and eye burns from the label possible; therefore keep away from skin and eyes. Adhesive backing may cause skin irritation - remove immediately in case of skin contact.
- Do not expose to direct sunlight. Protect from direct sunlight to avoid discolouration and loss of adhesion.
- Keep out of reach of children. Please keep out of the reach of children.
- Warning: Self-adhesive labels may leave adhesive residue. May leave adhesive residue if used incorrectly.
- Please ensure that the labels are applied to a clean, dry surface to ensure optimum adhesion with minimal residue.
- Caution: Do not affix the labels to food boxes. Do not conceal the warning label.
- The labels are intended for use on goods and not for applications where direct skin contact is expected. Self-adhesive labels: Keep the labels out of the reach of children.
- To ensure product safety, all users should be informed about the use and application of the labels. Labels should be used in accordance with applicable safety standards to ensure that all relevant information is clear and understandable.
- Risk of breakage: Ensure that fragile objects are securely packaged. Do not use on products that cannot fall under any circumstances.
- Use in accordance with the instructions: Only use the warning labels for their intended purpose. Ensure use in accordance with the manufacturer's specific instructions. Caution: Only use for the intended purpose!
- Ensure that the labels on the corresponding packages are clearly visible. The labels must not be damaged or made illegible. Ensure that the labels are affixed in a clearly visible position.
- Observe the safety instructions when using your products. Note: Safety warnings must be provided in a language that the consumer can understand.
- Risk of suffocation due to improper use or removal of the labels.
- Do not stack - risk of overloading or tipping objects.
- Protect from moisture so as not to impair the adhesive strength of the labels.
- Caution! Highly sensitive electronics - Use these labels to label sensitive products to prevent damage.
- Ensure that the packaging is intact to guarantee the adhesion of the labels.
- Dispose of in accordance with local regulations for paper and adhesive waste.
