Safety Instructions:

- Choking hazard due to small parts that may fall off during operation. Keep small parts away from children.
- Risk of cutting due to sharp blades. These should only be used by trained personnel or under precautionary measures.
- Ensure that the appliance is stable and on a level surface to prevent it from tipping over.
- The product is not suitable for use by children and should only be used under supervision.
- Do not exceed the maximum castor weight of 200 kg to avoid safety risks.
- Read and follow the installation instructions carefully before commissioning.
- Avoid contact with water or other liquids to prevent electrical hazards.
