Article Numbers: 46077, 46042, 46041, 46040, 46039, 46038, 46037

Safety Instructions:

- Not suitable for children under 3 years of age due to possible small parts and choking hazard.
- Paper products should be supervised when used by children and protected from moisture, fire and direct sunlight to prevent damage.
- The cards are only intended for the intended use; avoid excessive load to prevent damage.
- Remove packaging before use to avoid risk of injury or suffocation.
- Use the product in accordance with the labelling to prevent misuse and possible irritation.
- Safe to use on paper, without electrical components and therefore no risk of electric shock.
- Avoid excess energy (e.g. due to load) so as not to damage the cards or irritate the user.
- Store the product safely and do not leave it unsecured to prevent children from using it.
- Observe disposal instructions to promote environmentally friendly practices.
- The products are made of FSC®-certified paper. Enclose safety information in understandable language.
