Please note the technical data of the products!

**Article Number:** 29555

## Safety Instructions:

- The cylinder lock is intended for use in a clothes locker and should be installed in accordance with the installation instructions.
- Take care when using cylinder locks: Make sure that the keys for the lock do not fall into the hands of unauthorised persons.
- Make sure that no excessive force is used to open or close the lock to avoid damage.
- If you lose the keys, you should have the lock replaced immediately to ensure security.
- This product is not suitable for children under 3 years of age, as it could present a choking hazard due to small parts.
