Please note the technical data of the products!

Article Numbers: 66666, 66665

Safety Instructions:

- The hanging folders are not suitable for children under 3 years of age as they contain small parts. Do not swallow any parts. Keep away from children.
- Ensure that the suspension files are stored securely to prevent accidental tipping over. Store the product in a safe place.
- Avoid use in damp environments to prevent mould and rotting. Avoid direct contact with moisture.
- Ensure that the fixed connections and labelling are intact during use to avoid injury.
