Safety Instructions:

- Keep the boxes out of the reach of children to avoid the risk of choking on small parts.
- Do not store in a damp environment as corrugated cardboard can otherwise be damaged and lose stability.
- Ensure safe handling of the boxes to avoid injury from sharp edges.
- Protect cartons from fire and extreme temperatures to minimise the risk of fire.
- When transporting heavy objects, observe the maximum load capacity to prevent collapse.
- Not suitable for children under 3 years due to potential choking hazard from small parts.
- Cartons not suitable for food packaging, please observe the relevant regulations.
- Avoid overloading the cartons to ensure structural integrity.
- Protect from direct sunlight and moisture to prevent material damage.
- Only allow adults to handle the appliance to minimise safety risks.
- Before use, ensure that the cartons are not damaged.
- The boxes should be stored flat to avoid damage during transport.
- Avoid unsafe stacking to minimise the risk of collapse.
- Do not store boxes near sources of fire, as corrugated cardboard is flammable.
- Only use the product for its intended purpose to ensure safety.
