E-Mail: info@alpha-paletten.de

Please note the technical data of the products!

Article Number: 99052

Safety Instructions:

- Please ensure that the lid is properly seated on the container to prevent unintentional opening.
- The lid should be used taking into account the maximum load of the container in order to prevent breakages and accidents.
- If the lid is damaged, it must not be used.
- The cover is not suitable for applications involving heavy weight or point loads.
- Remove the lid carefully to avoid injury from knocks or cuts.
