Safety Instructions:

- The wastepaper bin should be securely attached to the wall or pole to avoid the risk of tipping and falling.
- Sharp objects and pointed parts should be avoided to prevent injuries.
- Keep the waste bin out of the reach of children to avoid hazards caused by improper use.
- The handle should always be used to safely remove the container.
- Contact the supplier if there are any signs of damage or defects in the product.
- The product is made of low-pressure polyethylene and should be protected from extreme temperatures and UV radiation.
- Safety information on installation and use should be provided in understandable language.
- Take care when emptying or cleaning the wastepaper basket to avoid injury.
- The product should not be placed near open flames or other sources of ignition.
