Safety Instructions:

- Make sure that the table stands are stable and placed on a stable, level surface to prevent them from tipping over.
- The display panels should not be handled improperly as they are fragile.
- Avoid sharp objects in the vicinity to prevent damage.
- Keep the table stand away from water and moisture to prevent damage to the material and the display boards.
- Avoid extreme temperatures, as this can affect the material of the table stand.
- Check regularly for damage or signs of wear to ensure safety and functionality.
