Safety Instructions:

- Ensure that sufficient stability is guaranteed to prevent accidents.
- Lock the castors before use and only use them on smooth surfaces to prevent unintentional rolling or slipping.
- Use by children only in the presence of an adult and ensure that the waste bin is not used as a toy to minimise the risk of falling and injury.
- Check the product regularly for damage, especially the castors and the base insert.
- Before use, ensure that the waste bin is placed on a stable, level surface to prevent it from tipping over.
- When emptying the waste collector, take care to avoid heavy objects in order to minimise the risk of injury when lifting.
