Safety Instructions:

- Make sure that the waste bin is stable to prevent it from tipping over.
- Do not use for flammable materials or hazardous waste to avoid fire hazard.
- Keep the waste bin away from children to avoid injury.
- Regularly check the locks and latches for functionality to prevent unauthorised opening and theft.
- Use protective gloves when changing the plastic bags to avoid skin irritation.
- The product is intended for outdoor use only. Observe suitable use for outdoor use.
- The product contains sharp edges; take care when handling.
- Only use the ashtray insert for the intended materials.
- Only use the product in the intended manner.
- Do not place any heavy objects on the appliance.
- Disposal in accordance with local guidelines for sheet steel products.
