Please note the technical data of the products!

Article Numbers: 94170, 94129, 94128, 94127

Safety Instructions:

- Not suitable for children under 3 years of age due to the risk of swallowing small parts.
- Ensure that stacking does not present any hazards: If stacked incorrectly, storage boxes can tip over and drop objects.
- Avoid contact with aggressive chemicals and strong solvents, despite the chemical resistance, to prevent material damage.
- Do not exceed the load capacity of 10 kg to avoid structural damage or overloading.
- Read the product information carefully before use and observe the risk warnings.
- Not suitable for storing food.
- Avoid contact with excessively high temperatures above 100°C and only use the open-fronted storage box in the temperature range from -20°C to +100°C.
- Keep out of the reach of children.
- Protect from direct sunlight to avoid discolouration.
- Do not use near hot surfaces or open flames.
- Store small parts safely and do not leave the storage box near children without supervision.
- Avoid sharp or pointed objects that could damage the inner walls of the open-fronted storage box.
