Safety Instructions:

- Before use, ensure that the partition is correctly inserted into the Schäfer box to avoid injury.
- Take protective measures to avoid possible sharp edges of the aluminium material.
- Warning of injury from sharp edges of the aluminium parts.
- Keep the partition and guides out of the reach of small children to avoid the risk of choking if small parts are swallowed.
- During installation, ensure that the partition wall is stable to prevent it from tipping over or slipping.
- Pay attention to possible cracking of the plastic guides to avoid the risk of breakage.
- Ensure that the product is only used in accordance with the manufacturer's instructions.
- Keep the product out of the reach of small children.
- Check for visible damage before use and do not use if damaged.
- Read and follow the user instructions carefully to ensure correct and safe use.
- Use on smooth or uneven surfaces to prevent tipping.
- Observe safe installation and instructions for use to avoid injury.
- Do not use near water sources to avoid electrical risks.
