Safety Instructions:

- Before use, ensure that the drawer is properly secured in the shelving system to prevent it from tipping over.
- Do not overload the drawer to avoid breakage or damage.
- The product is supplied without a label; further information on safety can be found in the accompanying documents.
- Ensure that the drawer is designed and manufactured in accordance with national safety regulations.
- Prevention of injuries due to incorrect lifting or pulling of the drawer.
- Provide users with clear instructions for assembly and use.
- Avoid using the drawer if it is damaged.
- Only use the drawer in accordance with the specified dimensions and specifications.
- Ensure safe handling when using with automatic gripping systems.
