Article Numbers: 68412, 68355, 68354, 68306, 68304, 68303, 68301, 49989, 49988, 131238

Safety Instructions:

- Choking hazard: Avoid improper handling of cigarette butts and small parts.
- Fire hazard: Avoid improper use of the pedestal ashtray and cigarette butts that are not completely extinguished, regular emptying required.
- Stability: Ensure that the pedestal ashtray is stable and on a stable surface to prevent it from tipping over.
- Only use the pedestal ashtray in well-ventilated areas or outdoors, not in strong winds or bad weather.
- Product only suitable for outdoor use.
- Product is not suitable for children. Children should not be allowed to handle the product unsupervised.
- The pedestal ashtray should always be filled with clean sand to safely extinguish cigarette embers and minimise the risk of fire.
- Sharp edges: Avoid skin contact with sharp edges to prevent injuries.
- Read the operating instructions before use in order to observe all safety precautions.
- Risk of injury: Avoid improper handling, assembly or disassembly, do not use damaged parts.
- Safety information should be provided in plain language to avoid misunderstandings.
- Be aware of the risk of slipping in wet conditions due to the standing ashtray.
- Before assembly, check that all parts are present.
- Only use the ashtray for cigarettes, not for other flammable materials.
- Keep the pedestal ashtray away from children to prevent improper use.
