Safety Instructions:

- Only use in accordance with the installation instructions to ensure stable installation.
- Follow the assembly instructions to avoid tipping or falling over.
- Check the fixings regularly to ensure that they are securely fastened to guarantee stability.
- Avoid using heavier boxes than recommended to prevent structural damage.
- Keep products out of the reach of children to prevent injury.
- The product is not ESD-safe; do not use it in electrostatically sensitive environments.
- Ensure that edges and corners do not cause any injuries during installation.
- Use only by adults or under their supervision to avoid safety risks.
- Use only as an addition to the worktable to minimise stability risks.
- Use suitable tools for assembly.
