Safety Instructions:

- Take care not to use the product in the vicinity of children to avoid possible choking hazards. Product not suitable for play or for children under 3 years of age as small parts may be present. Store small parts safely to prevent them from being reached by small children.
- To preserve the quality of the PVC, do not use the product in situations where it is exposed to direct sunlight or extreme temperatures. Protect the product from direct sunlight and extreme temperatures to avoid damage. Avoid exposure to direct sunlight to age the PVC material.
- Keep the product away from moisture and water to protect the integrity of the materials.
- Avoid contact of the product with sharp objects to prevent damage to the PVC.
- Take care when handling sharp edges that may be present during use.
- Do not store near heat sources to avoid deformation.
- Ensure that the product is checked for damage before each use. Note that the cardboard inserts should be checked regularly for signs of wear to ensure the safety and legibility of the product.
- The tabs may break if handled incorrectly; take care when handling.
