Safety Instructions:

- Avoid using the device near water or moisture to prevent damage.
- Ensure that the drawers are fully closed before moving the product.
- Not suitable for children under 3 years of age as small parts can be swallowed or there is a risk of choking.
- The product should not be overloaded to avoid damage.
- Use of the drawer in accordance with its intended purpose ensures a long service life.
- Improper handling can impair stability, which can lead to injuries. Be aware of the risk of crushing.
- Do not pull drawers with excessive force to avoid damage.
