Safety Instructions:

- Keep out of reach of children to avoid the risk of choking. Parts torn from the roll can form small parts that pose a choking hazard for small children. Do not use packaging as a toy; protective covers or material residues can be potentially dangerous.
- Not suitable for contact with food.
- Use with caution to avoid skin irritation.
- Do not store in a place with high humidity in order to maintain the adhesive strength.
- Avoid use near heat sources as the adhesive properties may be impaired.
