Safety Instructions:

- Ensure that the installation of the wall dispenser is stable and that all necessary holes are drilled correctly to prevent tipping and the risk of slipping.
- Check the dispenser regularly for damage and stability, especially as a standing dispenser, to avoid the risk of injury from sharp edges or damage.
- Keep the dispenser out of the reach of small children to prevent tipping or falling and to avoid any risk of choking from small parts or packaging material.
- Always supervise children and use the product in accordance with the instructions to avoid improper use and possible damage.
- Ensure that no excessively heavy materials are stored in the dispenser compartments to avoid overweight.
- Do not place any wires or cables through the holes for the wall mounting so as not to compromise the integrity of the product.
