Article Numbers: 67312, 67275, 67274, 67269, 67267, 67262

Safety Instructions:

- Not suitable for children under 36 months. Choking hazard due to small parts.
- Warning for improper use with heat and chemicals.
- Safety instructions must be provided in an understandable language.
- Take care when handling self-adhesive materials to avoid skin irritation.
- Use according to the specific instructions for P-touch models: PC 7000 and 8000.
- Not suitable for contact with food.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Follow the instructions for safe use and disposal.
- Store the product in a cool, dry place, away from direct sunlight.
- Ensure that the tape cassette is not damaged before using it.
- It should be used in accordance with the manufacturer's instructions.
- Keep the product out of the reach of children to avoid accidental damage or misuse.
- Protect from direct sunlight, as the material is light-resistant but not indefinitely durable.
- When using, make sure that the adhesive surface is clean and dry to ensure optimum adhesion.
- The product should not be immersed in water, as although it is waterproof, the adhesive strength could be impaired.
