Safety Instructions:

- Not suitable for children under 3 years, choking hazard due to small parts.
- Keep the product out of the reach of small children.
- Use only for the intended purpose. Improper use can lead to injury. Only use the product as intended.
- Can be dangerous if not used according to the instructions. Please observe the information on safe use.
- Do not use in direct contact with food as it may contain chemical substances. Not suitable for consumption.
- Do not use near sources of heat or naked flames. Protect from direct sunlight to avoid colour fading.
- The product should not be used near water or extreme temperatures. Avoid use in areas with high temperatures or extreme chemical conditions.
- Store safely to prevent accidental removal or destruction of the product.
- Avoid contact with eyes and skin. The product could adhere to the skin if used incorrectly. If necessary, avoid an allergic reaction.
- Only use under adult supervision to minimise possible risks.
- The adhesive surface may be difficult to remove. Pay attention to substrates that should not be damaged by removal. Use in environments with extreme temperatures or chemicals could impair adhesion. Pay attention to the application conditions before use.
- This product is self-adhesive, please keep away from children to avoid accidental removal.
