Article Numbers: 94141, 94140, 94139, 94138

Safety Instructions:

- Not suitable for children under 3 years due to choking hazard from small parts.
- Use of the open-fronted storage box is at your own risk. The manufacturer is not liable for improper handling.
- All products damaged before use must be disposed of immediately.
- Protect the open-fronted storage box from extreme temperatures outside of -20 °C to +100 °C or in direct sunlight.
- Avoid using the product in areas with high chemical exposure beyond the specified resistance.
- The load capacity must not exceed 40 kg. Not stackable with heavy goods over 40 kg.
- For safe use on conveyor lines, the open-fronted storage box should not be overloaded.
- Plastics can break and cause sharp edges if handled improperly.
- Avoid storing hazardous substances in an uncoated state.
- Avoid contact with sharp objects that could damage the plastic.
