Safety Instructions:

- Please ensure that the load capacity of 60 kg is not exceeded.
- Apply the parking brake before use to prevent the scooter from rolling away.
- Before use, check that all parts are correctly fitted.
- Avoid hazards arising from improper use, especially when using on uneven surfaces or steps.
- Keep out of the reach of children as the product is not designed for use by children and to avoid the risk of choking on small parts.
- Before folding up, make sure that no body parts or objects are in the way.
- Before use, ensure that all wheels are properly tightened.
- Caution: The upper cargo bed can be folded up by 130° - note the risk of injury from crushing.
- Use only for the intended purpose in the office, workshop and warehouse to avoid injury.
- Take care when transporting heavy goods to prevent the mobile home from tipping over.
- Reference to use by professionally trained persons in the commercial sector.
