Please note the technical data of the products!

Article Numbers: 60971, 60970, 157192, 157191

Safety Instructions:

- Do not apply packaging tape to skin or eyes; many adhesive tapes can cause skin irritation, therefore avoid skin contact.
- Children should only use the product under adult supervision to avoid injury.
- Not suitable for children under 3 years of age, choking hazard due to small parts; keep out of reach of children during processing.
- Not suitable for direct contact with food.
- Remove the protective film before use to ensure the adhesive effect.
- Ensure that the surface is clean and dry before application; use only on stable and even surfaces.
- Do not store above 50°C in order not to impair the adhesive effect; do not store above 80°C or near open flames and high temperatures.
- The adhesive force may be limited if stored in a damp environment.
- Eye protection recommended during use to avoid injury.
- Not resistant to chemicals; avoid contact with chemicals.
- The adhesive is solvent-free and environmentally friendly, but is not suitable for the manufacture of toys.
- Suitable for professional use, but use with safety in mind.
