Article Numbers: 94196, 94198, 94199, 94197

Safety Instructions:

- Only suitable for commercial use.
- Do not exceed the recommended load capacity of 20 kg.
- Wait until the storage box is completely dry before storing it.
- Keep the box clean and free of chemical substances to ensure durability.
- Before using the open-fronted storage box, ensure that there are no sharp edges to avoid injury.
- Protect the open-fronted storage box from direct sunlight and extreme temperatures to prevent material fatigue.
- The open-fronted storage box is not suitable for use by children as it may contain small parts that pose a choking hazard.
- When stacking the open-fronted storage bins, ensure that the weight of the filled bins does not exceed the maximum load capacity (20 kg). Take care when stacking to avoid instability and minimise the risk of accidents.
- Regularly check that the open-fronted storage box is free of damaged parts to ensure safe functionality.
- Dispose of the open-fronted storage box in accordance with the local regulations for plastics.
- Observe safety regulations when using in conjunction with chemicals.
- Not suitable for contact with food.
- The product may be damaged if used improperly.
